A group of children in school uniforms are running joyfully on a green field. The children are wearing red and blue striped polo shirts and dark blue shorts. One child in the foreground is shouting with an open mouth. In the background, a black metal fence and some outdoor equipment are visible.

Is there a place  
where *learning*  
truly is pure joy?

Welcome to our  
little *world*.

**YORKSHIRE ACADEMY**  
**2018 OPEN HOUSE**

300 STUDENTS – 18 MONTHS – 5TH GRADE

“I’m pretty sure my girls  
prefer being at school more  
than at home.” Seema Suneja

**Here, academics and adventure go hand-in-hand.**

When children step onto the campus of Yorkshire Academy, something rare and magnificent takes hold. They are immersed in a little world of educational wonder – a place where learning, to put it plainly, is really fun. Parents tell us regularly that their kids would rather be here than just about anywhere else. We believe this is because our school puts equal emphasis on building their knowledge and spurring their joy.

“Yorkshire has given our kids  
the perfect foundation to  
continue their education  
anywhere in the world!”

Alina Kolsters

**Often, the brightest minds start with the littlest spark.**

Yorkshire Academy has strong core programs in math, science, technology, language and humanities. We also believe that a true educational journey must embrace art, culture, sport and creativity. It is this holistic approach that ignites the spark that inspires young students to grow into well-rounded thinkers, astute problem solvers and passionate lifelong learners.

# “We’ll always be grateful that a how to think, not what to think

## The little school that makes a big impact.

Kids from across Houston and all over the world spend their most formative years at Y  
be trusted with this responsibility. As students advance through each grade, we build t  
just as much we build their character. Ours is an atmosphere of curiosity, collaboration  
Parents of past students tell us that we’ve made an impact that has carried their kids  
forward into a life of leadership, enlightenment and accomplishment.

“You’ve enriched our children’s lives in more ways than you’ll ever know.” Scott Wiesenborn

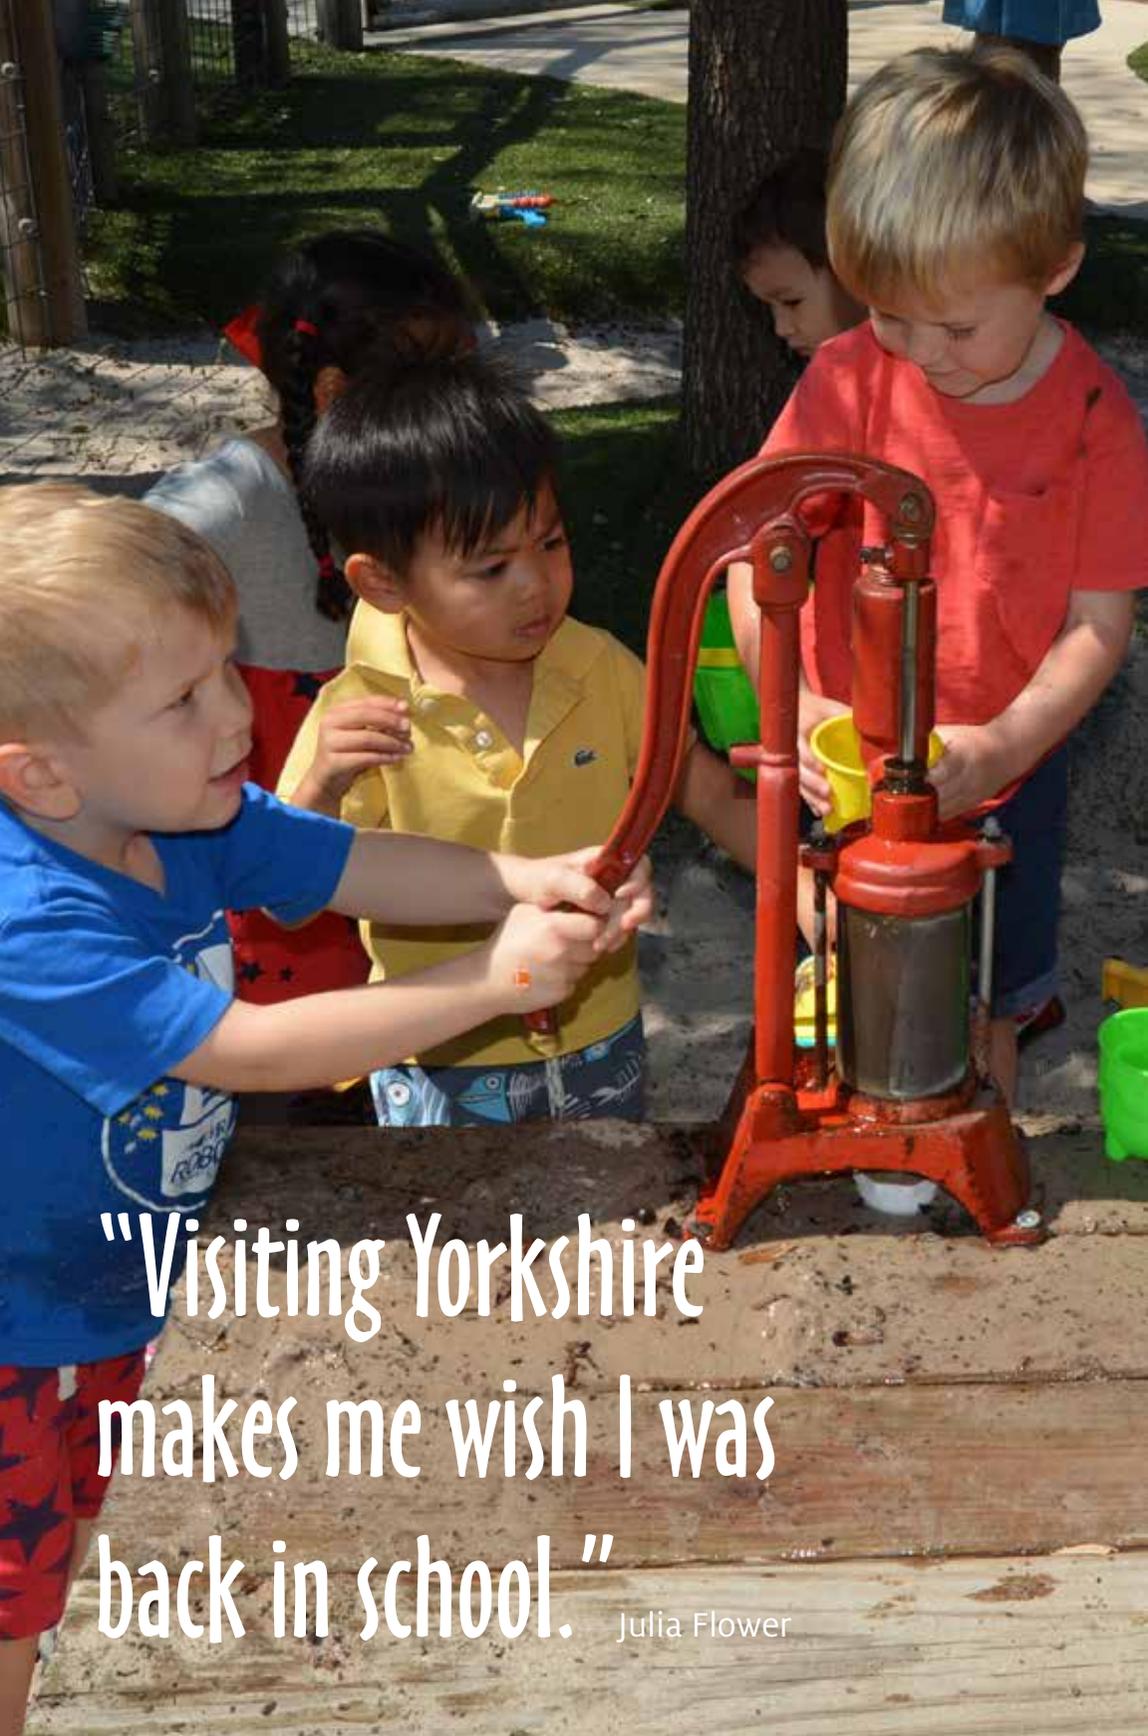

### **Educational research says to play it smart. We do.**

We have always embraced the most advanced and innovative educational practices, which tell us that true learning is rooted in joyful discovery and play. We infuse this spirit into every lesson, activity, and even the design of our facilities. Every corner of our campus is alive with movement, exploration, cooperation and kids just being kids.

In addition to core academics, our enrichment programs include painting, music, theatre, Spanish, PE and more. Plus our after-school programs offer chess, robotics, dance, soccer and much more. At Yorkshire, we open an entire world of possibilities to every student – so they can be their very best, in school and in life.

“Visiting Yorkshire  
makes me wish I was  
back in school.”

Julia Flower

## Welcome to our little world.

Choosing the right school for your child is an enormous and often challenging decision. Perhaps we can help. Come tour our campus, meet our teachers and leadership, get a feel for what we stand for.

Our school might be the kind of world  
you want to create for your child.
