

**2019
SUMMER
PROGRAM**

1ST-6TH
FALL 2019 GRADES

Enrichment Camps

Morning and Afternoon Sessions

- Over 40 camps!
- Grades: 1–6 (based on fall 2019 grade)
- Descriptions on pages 2–3
- Prices and schedules on page 4

With over 40 enrichment camps, there is certainly something for everyone! Work the right side of your brain in the morning and the left side in the afternoon, and switch the next week.

Summertime Safecare

All-Day Care From 7 AM to 5:30 PM

- Includes Academic Edge camps for 1st–6th grade students
- Enrichment camps can be added to Safecare for an incremental cost

June	July
4 weeks June 3 to June 28	3 weeks July 1 to July 19 (closed July 4)
\$1,500/month	\$1,125/month

Weekly Early and Late Care

Early Morning Care	Late Afternoon Care
7 AM to 9 AM	3 PM to 5:30 PM
\$75/week	\$100/week

Academic Camps

Give Your Child an Academic Edge!

- Summer School Edge
- Grades: 1–6 (based on fall 2019 grade)
- Seven one-week sessions
- Prices and schedules on page 4

Solidify the skills your child learned during the school year and ensure they have an ‘edge’ when they start the fall term. This program is designed for those families who like an academic component to continue throughout summer. Mornings will include daily math and language arts lessons, along with science experiments and social studies projects. Students who stay in the afternoons will visit the computer lab for math practice and keyboarding. They will also spend time in the library reading independently.

14120 Memorial Drive, Houston, TX 77079

summerprogram@yorkshireacademy.com

Mix & Match!

Our summer program is the most flexible in town! You can choose academic camps, and/or enrichment camps, and/or our full-time care, to make an extremely versatile and comprehensive program. For example:

- Academic Edge in the morning and enrichment in the afternoon
- Enrichment in the morning and Academic Edge in the afternoon
- Academic Edge all day
- Enrichment, morning and afternoon

Registration

- Registration opens March 13
- Online registration only at www.yorkshireacademy.com/portal
- Class availability is on a first-come, first-served basis
- Prices include registration fee
- T-shirt included
- Registration is complete with full payment

Instructions

- All students must bring a snack and water bottle
- Full-day students must bring a lunch and two snacks
- Additional detailed instructions will be provided prior to camp

Abstract Adventures

Instructor: Shannon Stout

Grades: K-6

All about process, no pressure! Non-representational processes and projects that focus on color, shape & fun! Learn about layers, lines, shapes, and more through hands-on projects that encourage self-expression and experimentation.

A Day at the Beach/ Mixed Media Art

Instructor: Shannon Stout

Grades: K-6

Delve into a variety of mixed media art projects experimenting with different mediums and techniques including painting, collage, printmaking, and more.

Basketball/Flag Football

Instructor: Coach Josh's Team

Grades: 1-6

For boys and girls of all skill levels. Learn the basic fundamentals of both Basketball and Flag Football, including ball handling, proper shooting form, passing techniques, defensive principles and much more. Our camp will have several scrimmages and miniature games with competition where kids can demonstrate their fundamentals.

Beginning/Intermediate Fencing

Instructor: Alliance Fencing Academy

Grades: 1-6

Coaches provide a fun and exciting setting for kids to learn the fascinating sport of competitive fencing. Basic concepts of footwork and blade work will be introduced. Equipment provided.

Beginning Golf

Instructor: TGA Instructor

Grades: K-6

Our camp maximizes fun by including instruction, games, and other exciting activities to help players of all experience levels develop putting, chipping, and full-swing skills. TGA's best in class coaches create a safe, fun, and supportive environment where campers learn about the rules and etiquette of the game and important life lessons including perseverance and sportsmanship. Equipment provided.

Beginning Tennis

Instructors: Coaches Robin and Lucy

Grades: 1-3

Campers learn to hold and swing a racket, hit balls and use proper stance for strokes. They also develop balance, coordination, agility, quick reactions and speed. Added benefits are learning to follow directions, developing focus, and overall athletic ability. Equipment included.

Chess

Instructor: USA Chess Certified

Grades: 1-6

Introductory to advanced chess players welcome! Campers experience chess instruction and play in a fun environment designed to improve their skills, whether they are interested in casual or competitive chess. Equipment provided.

Claymation Camp

Instructor: Engineering for Kids

Grades: 3-6

Tap into the incredible practice of stop-motion film production and learn the technique from the ground up. Through cumulative daily projects, teamwork, technological literacy and a bit of movie-making magic, campers will love to win awards at the film festival held the last day of camp!

Coding Foundations

Instructor: Coder Kids

Grades: Pre-K-1

Students will use hands-on tools, apps, games, and coding robots to learn the fundamentals of coding. They will work through multiple levels of our Coding Foundations curriculum in preparation for Scratch. Students will be grouped by age and ability level.

Computer Building with Piper, Raspberry Pi & Minecraft

Instructor: Engineering for Kids

Grades: 3-6

The computer that prepares kids for a lifetime of building technology. As kids build Piper and progress through the games, they develop both technical skills and approaches that lead to inventive solutions. Students will learn engineering and programming through a combination of engaging storyline, physical building, and Raspberry Pi Edition of Minecraft.

Cricket

Instructor: Katy Youth Cricket

Grades: 1-6

Introductory Cricket coaching camp for boys and girls. Learn to play the 2nd biggest International team sport from International Cricket Council (ICC) certified cricket coaches.

CSI Forensics

Instructor: Camp Einstein

Grades: Pre-K-1

Put on your detective hat and become a CSI investigator exploring topics in forensic investigation, evidence collection and techniques, and problem solving. Observe a crime scene, and take fingerprints and footprints. Question subjects, and perform DNA and blood analysis.

Dance World

Instructor: Maria Fernanda

Grades: K-6

Campers will learn line dances, hip hop routines, and even experience a little global flair throughout the week. Technique and combinations will be taught in a fun way with great music. There will be a performance on the last day of camp.

Elementary Junior Athletes

Instructor: Coach Josh's Team

Grades: 1-6

The class will focus on teaching/improving the fundamentals and mechanics of four major sports: flag football, basketball, baseball, and soccer. Other fun fitness activities include bowling, relay races, capture the flag, etc. The program works towards improving hand-eye coordination, balance, speed, and agility.

EV3 Robo Games

Instructor: Engineering for Kids

Grades: 3-6

A world of robotics and computer programming! Each day you will design and program the latest generation of Lego robots (EV3) to perform challenges such as the SumoBots, Joisting, and Catapult Challenges. You will program your robots using the Lego Mindstorms Education EV3 Software.

Glazed Over

Instructor: Glazed Over Pottery's Team

Grades: K-6

Bring out inner creativity and imagination during Glazed Over's art camp! Your little artist will master the basics of several art forms from pottery and clay building to glass fusion and canvas. Kids will create five fun projects while learning and using specific art techniques to enhance their creativity!

Global Art

Instructor: Shannon Stout

Grades: K-6

New York, Paris, Moscow, Athens! Using a variety of art techniques and unique materials, students will create projects that capture notable cities and their landmarks.

HATCH!

Instructor: Houston Audubon

Grades: Pre-K-1

This camp highlights amazing creatures that all "hatch" from eggs. Campers will meet live animals and discover why all eggs are not the same. Stories, crafts and songs enhance all the fun each day.

Hoot! Tweet! Chirp!

Instructor: Houston Audubon

Grades: Pre-K-1

Campers will soar into the world of birds with games, crafts and song. This interactive camp program features live birds and lots of music. Your youngster will leave humming a new tune every day! It is a hoot!

Intro to Python

Instructor: Coder Kids

Grades: 4–6

Python is a great programming language for transitioning from Scratch to text-based programs. Students will receive guided instruction as they work on text-based games and projects based on Al Sweigart's book "Invent Your Own Computer Games with Python." By the end of the week, students will be able to create their own text-based games.

Intro To Video Production

Instructor: Engineering for Kids

Grades: 3–6

You will gain technical skills in video filming and editing using software on tablets, while exploring the historical significance of film and the unique elements of storytelling. From storyboarding and the rule of thirds to lighting and audio, each activity builds upon the previous day, culminating in a final film project that is shared at the festival held the last day of camp.

Mad About Circus Arts & Hoop Fitness

Instructor: Mad About Hoops/Yoga

Grades: K–6

Juggling, tight rope walking, balloon twisting, face painting and more! This class is great for both boys and girls. Age appropriate stretching, circus crafts and circus arts in every class. Students will explore circus skills that improve their balance, hand eye coordination and confidence in a fun and safe environment. They will also learn hula hoop skills that will not only impress but build stamina and help them develop a healthy relationship with fitness.

Mad About Yoga & Hoop Fitness

Instructor: Mad About Hoops/Yoga

Grades: K–6

This isn't your mamma's yoga class! Students will learn the fundamentals of yoga through a variety of age appropriate lessons and activities for both boys and girls. In addition to learning new poses each day, we will explore con-

cepts such as breath control, gratitude, stress management and meditation by using games, crafts and other exercises. After yoga, we work on improving stamina and building confidence during our hoop fitness portion of class.

Minecraft Gamers Club

Instructor: Coder Kids

Grades: 3–6

Is your child obsessed with Minecraft or wants to learn the basics in order to communicate with friends? Students will engage in free-play and group-play. Those who are new to the game will be taught to play while advanced students will explore third party servers and create new worlds. This class will also include lessons about digital citizenship and safety.

Musical Theatre

Instructor: Maria Fernanda

Grades: 1–6

Sing, dance, and act in various musical numbers culminating in a performance at the end of the week.

Mystery Camp

Instructor: Judy Drilling

Grades: 1–6

Who doesn't love a good mystery? Be your own Scooby Doo and Inspector Gadget! At this camp students will be offered daily mysteries to solve through scavenger hunts, forensics, word play, and much more.

On the Brink

Instructor: Houston Audubon

Grades: 1–6

From elephants to eagles, leopards to butterflies the world is a cornucopia of wildlife species that are struggling for survival against all odds. Campers travel the world to discover endangered species through fact finding activities, nature exploration and games, crafts and songs.

Puppet Pizzazz— Turn Trash into Treasure

Instructor: Greg Ruhe

Grades: 1–6

Recycled card board boxes and other found objects will be transformed into incredible puppet characters. Explore various styles of puppetry, develop communication skills, discover the joy of storytelling, build and perform with puppets that will be yours to take home and enjoy long after the workshop is over.

Soccer/Baseball

Instructor: Coach Josh's Team

Grades: K–6

Students will learn and improve on their soccer and baseball fundamentals. Engaging team building activities and scrimmages will be taught throughout the week. Students will practice cooperation, sportsmanship, and teamwork. It is important that students experience success while learning.

Stemfinity & Beyond

Instructor: Camp Einstein

Grades: K–2

Let's explore our incredible universe! From oceans to land to space! We will dive deep into the abyss of oceans to discover hidden treasures and fascinatingly weird creatures! Campers will blast off into outer space as we study freezing comets, rocketry, and our solar system.

Texas Art

Instructor: Shannon Stout

Grades: K–6

Think Rodeo Art! Every year the Rodeo Art Contest inspires students to create some wonderful western artwork. Students will create some of the most successful Texas themed projects!

Video Game Creation

Instructor: Active Learning Instructor

Grades: 1–6

Arcade style—in the style of Pac-Man & Asteroids. Introductory to intermediate. Starting with basic commands, campers will learn how to build a game that they design. The Arcade course is a program where the game that is created has action for each level—all on one screen. This camp encourages creativity, storytelling, programming and problem solving.

Volleyball & Badminton

Instructor: Coach Josh's Team

Grades: K–6

Designed for the beginner looking to learn or improve his or her skills. Campers will practice/learn appropriate movements and volleyball and badminton skills/drills in a fun atmosphere. Fitness games and exercise will also be incorporated to encourage team building and sportsmanship.

Wizard Science

Instructor: Camp Einstein

Grades: 1–6

Experiment with the periodic table and the intriguing reactions that can occur when certain elements interact! Watch as the instructors blow things up and explain why cataclysmic reactions happen! Amaze your family and friends with your magical science acts from disappearing water, color changing reactions, and more!

Writer's Workshop

Instructor: Marcy Bannor

Grades: 2–6

Our workshop offers students an opportunity to write their own stories, fairy tales, poetry, fables, and essays. Come to our class and create your very own great literature. Let's see where our imaginations take us!

Youth Debate Camp

Instructor: Youth Debate League

Grades: 3–6

The camp makes learning to debate fun while students grow as confident public speakers, critical thinkers, and collaborative teammates. Each day we will focus on different skills relevant to debate, using games, activities and age appropriate topics to teach debaters to make and respond to arguments in an upbeat, positive environment, with an emphasis on learning to consider both sides of any topic or issue.
